EDUCATION

MIET, Meerut Institute of Engineering and Technology   **2020 − 2024**
*B.Tech - Computer Science and Engineering - **Percentage** - 80.7*   *Meerut, Uttar Pradesh*

COURSEWORK / SKILLS

- DSA
- Oops Concepts
- Cloud Computing
- DBMS
- Github

PROJECTS

Expense-Tracker ⧉ | React.js, Material ui , IDE - VS Code
- I have developed a comprehensive Expense-Tracke application using React.js integration.
- Created a budget management website using React JS, providing users with a streamlined solution for tracking daily expenses.
- Implemented a one-tap system for effort-less expense monitoring, enhancing user convenience and accessibility.

Covid-19 Tracker ⧉ | React.js , API
- I have developed a comprehensive website covid-19 Tracker using React.js and API integration
- Developed a React-JS-based COVID-19 tracker, im- plementing innovative visualizations for real-time pandemic data representation.
- ilized React.js to craft a user-friendly interface for accessing upto-date COVID-19 information..

Portfolio Website ⧉ | React.js , Bootstrap
- I have successfully developed a Portfolio Website utilizing React.js.
- Dynamic portfolio showcasing my creative journey, featuring projects and skills with a sleek design that captivates and inspires visitors

TECHNICAL SKILLS

Languages: C++, java script , SQL
Technologies/Frameworks: HTML, CSS, React.js, Angular, Node.js Bootstrap, Material ui
Developer Tools: VS Code

EXPERIENCE

Software Intern , Mittal Software Labs (Present)

- Contributed to the development of a real-world application using Angular, focusing on building scalable and maintainable components. Collaborated with a cross-functional team to implement responsive and dynamic user interfaces.

- Gained experience in utilizing Angular features such as services, directives, and reactive forms. Worked on optimizing application performance and ensuring compatibility across various browsers and devices.

- Engaged in code reviews and participated in Agile development processes, including daily stand-ups and sprint planning.

CERTIFICATIONS

- Microsoft Certificate: Azure Fundamentals - AZ-900
- Certificate of Appreciation - TCS
- SQL Certified - HackerRank

PERSONALITY TRAITS

* Strategy building
* Disciplined
* Team work
* Leadership quality
